## ACROSS THE GREAT NORTHERN BY STEAM

**California Zephyr Railcar Charters** is proud to offer a 'Once in a Lifetime' opportunity to ride our 'Silver Fleet' in first-class luxury between Minneapolis, MN and Portland, OR on a transcontinental train pulled by the sole remaining Daylight steam locomotive. We will have *Silver Lariat*, *Silver Rapids*, and *Silver Solarium*, supplemented by former Pennsylvania sleeper-lounge *Colonial Crafts*, aboard the train, giving guests the opportunity to see the beautiful Empire Builder route from end to end in daylight, from two Vista-Domes.

**All guests will enjoy our famous superior service, with meals prepared fresh on board by our chefs and served in one of our Vista-Domes. And of course, our bar is complimentary.** Our overnight passengers will stay aboard in our sleepers, and enjoy the elegant dining and attentive service that people have come to expect when traveling with us.

The train will be stationary at night on the portions of the trip between Minneapolis and Portland.

In order to provide you with a most luxurious excursion, we are limiting the capacity of our four cars for this trip to 48 passengers. **All of our guests will have a guaranteed seat in our Vista domes as well as generous lounge space.** With four vestibules available, open-air photography opportunities will be excellent, as well!
